KEEN Greater DC

**Kids Enjoy
Exercise Now**

A nonprofit volunteer-led organization that provides one-to-one recreational opportunities for children and young adults with developmental and physical disabilities at no cost to their families or caregivers. KEEN's mission is to foster the self-esteem, confidence, skills and talents of its athletes through non-competitive activities, allowing young people facing even the most significant challenges to meet their individual goals.

DEAR KEEN FRIENDS!

WHAT AN EXCITING YEAR WE HAD IN 2012, as we celebrated 20 years of providing free-of-charge sports and recreational programs to Greater DC area children and young adults with significant physical and developmental disabilities! As an organization that is powered almost entirely by volunteers and relies solely on generous donors and supporters, we reached this milestone with much gratitude for our many friends who make KEEN's programs possible year after year. You drive us, every day, to serve more and more young people with disabilities through a wide range of programs that inspire our KEEN athletes to break past their own boundaries and become more confident and gain new skills. For that we are grateful.

In 1992, KEEN started with just one sports program and only a handful of children and

volunteers, some of whom became steadfast supporters. In the 20 years since, both volunteer and funding support has grown tremendously, allowing us to expand our program offerings, extend our reach from our Montgomery County roots to the District of Columbia and Northern Virginia, and increase the number of young people we serve exponentially. Your support has allowed and encouraged us to create distinct programs for children, teens and young adults. So, children who enroll in KEEN at five years old literally can grow up with KEEN as a place where they will always be accepted and embraced and be able to have special friendships, socialize, get some exercise and have fun.

Today, KEEN Greater DC offers 23 free-of-charge programs in the District of Columbia, Maryland and Northern Virginia, with more than 450 program sessions, collectively, taking place each year. Thanks to partnerships with businesses, volunteer organizations and area colleges and high schools, KEEN Greater DC's programs are hugely popular among volunteers. Each weekend, some 150 volunteers come out to our programs, support our cause and discover that young people with disabilities, no matter how significant or profound, are remarkable human beings. Most of these volunteers have had no prior experience with or exposure to people with significant disabilities and come away from our sessions with the sense that their own lives have been made richer.

In the past two decades, nearly 1,000 young people with disabilities in our community have enjoyed being a part of KEEN, and yet the need and demand for KEEN programs continue to be great. Each year we enroll more and more kids, and as space fills, a wait list quickly forms. As we enter a new decade, we hold tight to our promise

20 years of providing **FREE of CHARGE**, incredible programs!

to continue to serve those who are generally considered to be some of the hardest to serve in our population—young people with significant and profound disabilities—and offer our services free of charge. We will need your support more than ever as we strive to better our community by continuing to provide our long list of programs and by offering our programs to more kids. We look forward to partnering with you, our supporters, in this cause and thank you from the bottom of our hearts for all you do to help make KEEN Greater DC possible.

THANK YOU!

PROGRAMS

SPORTS, ACTIVITIES & OUTINGS

About KEEN Greater DC

KEEN provides young people with significant disabilities, such as autism, cerebral palsy or Down syndrome, an opportunity to participate in weekend exercise and recreational activities with the help of volunteer coaches. While their children are at KEEN, parents or caregivers experience much needed respite. During the past 20 years, nearly 1,000 young people have participated in KEEN programs held throughout the Greater DC area.

SPORTS: Kids, teens and young adults expand their skills in a wide range of activities in KEEN's signature Sports programs. The groups meet in large gymnasiums to partake in such activities as gliding on adaptive scooters, bouncing on therapy balls and more. Volunteer coaches, each paired with an athlete, help rev up the fun in this unstructured environment where spontaneity reigns.

SWIM: Athletes of all ages enjoy splashing around in indoor pools under the vigilant eyes of volunteers and lifeguards. Some swim laps, while most prefer to bob around on a variety of floats, always with a volunteer coach close at hand. Sessions conclude with The Joey Pizzano Memorial Fund-sponsored water safety activities.

FIT: Young adult athletes work out on professional exercise equipment to help

achieve personal fitness goals and improve endurance, strength and range of motion. Coaches stand by to help track progress and celebrate achievements.

MUSIC: Kids and teens sing, dance and play percussion instruments in these arts programs facilitated by local music teachers. KEEN's coaches and aspiring musicians alike enjoy the festive atmosphere of KEEN's inspiring music program.

"I THINK KEEN IS A GREAT PROGRAM. THROUGH IT I'VE LEARNED THINGS ABOUT MYSELF AND GAINED FIRST-HAND EXPERIENCE WITH SEVERAL UNIQUE ATHLETES. THEY TAUGHT ME THE VALUE OF PATIENCE, COMPASSION AND UNDERSTANDING. "

—KEEN Volunteer

SOCCER CLINICS: Our youngest athletes work on ball handling skills under the direction of soccer coaches from United for D.C./United Soccer Club and with help from individual volunteer coaches.

TENNIS: Junior Champs from the Bob Pass 4 Star Tennis Academy have adopted KEEN athletes for a monthly tennis program. Athletes learn to serve the ball, volley back and forth and play games in a relaxed setting where no one keeps score.

BOWLING: Young adults and their coaches meet at a bowling alley to cheer one another on as they try their hand at knocking down a few pins or even getting a strike.

BASKETBALL CLINICS: With direction and guidance from a local high school basketball coach and support from individual coaches, teenage athletes in DC have fun working on their ball handling, team playing and social skills.

KEEN CLUB: Teenage athletes are paired with peer companion coaches to build friendships that often last for years. KEEN athletes and their individual coaches play games of basketball or kickball and also go out into the community to attend professional sports events such as Washington Wizards games.

PROUD TO BE KEEN: At the end of each KEEN session, athletes join together in one big circle for "Prouds." During this special KEEN activity, athletes let others know what they did that day that made them very proud, assisted as needed by their coaches. The accompanying smiles and applause give athletes a boost and end the session on a high note. At the same time, the volunteers finish up each session proud that they came to KEEN.

2012 EVENTS

20TH ANNIVERSARY REUNION

Past and present Directors of the Board and Coaches Committee members and other VIPs united to celebrate all that KEEN Greater DC has accomplished since its start in 1992. Among the VIP guests were some of our first athletes, original Board members and KEEN Greater DC founder Elliott Portnoy and his family, as well as Irina LaGrange, the principal of Tilden Middle School, the program site for KEEN Sports and Music in Maryland for nearly 20 years.

THE 11TH ANNUAL SPORTS FESTIVAL – A 20TH ANNIVERSARY CELEBRATION

Nearly 200 KEEN families from No. Virginia, Maryland and Washington, DC, and hundreds of volunteers gathered at Hadley's Park in Potomac, MD, to celebrate 20 extraordinary years of KEEN programs in Greater Washington, DC. KEEN athletes and their volunteers shared a day of fun, fitness and friendship playing soccer, zumba dancing, having their faces painted, "running" through various exercise drills, enjoying two obstacle courses, practicing their tae kwon do moves, eating pizza and so much more. In typical KEEN fashion, the day concluded with tug-of-war and a special round of "prouds" during which athletes received 20th anniversary medals.

KEENFEST: TYING TOGETHER 20 YEARS OF SUCCESS

Community members, business leaders and volunteers gathered at the Capital Hilton in Washington, DC, for The 20th Anniversary Gala: KEENFest 2012. KEEN Greater DC supporters participated in live and silent auctions, a raffle, a paddle raise and a game of heads or tails, and enjoyed a sit down dinner, live music by The Morrison Brothers and dancing. KEEN GDC athletes Bijan Bagheri and Dale Dixon charmed attendees with their greetings and storytelling. Volunteer Lela Williams received KEEN's Volunteer of the Year award. Major sponsor and long-time supporter David Trone of Total Wine & More received KEEN's Distinguished Service Award for his many contributions to KEEN GDC. This evening of friends, food and fundraising celebrated 20 years of KEEN GDC's sports and recreation programs for children and young adults with disabilities and built support to ensure that KEEN is able to continue to fulfill its mission and keep all of its programs entirely free of charge. Thank you to our event host, ABC News "Nightline" anchor Terry Moran, to our many major donors and supporters and to our KEENFest co-chairs!

KIDS EURO FESTIVAL

For the third year in a row, KEEN Greater DC athletes, families and volunteers enjoyed a special Kids Euro Festival Halloween weekend at the Embassy of France. The event included a Belgian musical theater performance, a Romanian puppet show, musical storytelling from Luxembourg, an Irish mime and Latvian cartoon films as well as face painting, dancing and arts and crafts. Thank you to the Embassy of France for your generosity and hospitality!

19TH ANNUAL KEEN GOLF CLASSIC

Nearly 200 participants enjoyed a great day of golf and games at Woodmont Country Club in Rockville, MD, to raise funds for KEEN Greater DC. We deeply thank all of our participants and sponsors, especially our major sponsors, Marriott International Inc., Accenture, Choice Hotels International, Davis Wright Tremaine LLP, Emergent Biosolutions, Professional Tax Solutions Incorporated, Venable LLP, and Sondra and Daryl Nickel, whose support has enabled us to continually grow and serve more kids.

VOLUNTEERS are vital to the continuity and success of KEEN Greater DC. Some help occasionally at KEEN's programs while others become regulars and may eventually evolve into leaders as part of our Coaches Committee. These volunteers not only train new volunteers and run the sessions, but also plan and administer all of our 23 programs. In 2012 our coaches contributed thousands of volunteer hours. Volunteering with KEEN is flexible and fun. Thank you to all of our outstanding volunteers!
