Dear KEEN Supporter:

Mark your calendar for **Friday, November 5, 2010** and plan to join us for **KEENFest 2010**, an *Evening in Paris*, a fabulous evening of food, friends and fundraising at the French Embassy in Washington, D.C., all to benefit KEEN and its free-of-charge exercise and recreation programs serving children and young adults with significant disabilities.

KEEN is a nonprofit, volunteer-led organization that provides sports and recreation programs for nearly 300 DC area athletes with significant disabilities, such as autism, cerebral palsy and Down syndrome, at no charge to their families. Our success in DC has spurred the creation of a nationwide organization with seven affiliates across the country, all providing KEEN's innovative, free-of-charge sports and recreation programs to children and families. On weekends throughout the year, kids with disabilities are paired with a volunteer coach to participate in KEEN's gym-based sports, swimming, tennis, fitness, bowling and music programs. At the same time, their families enjoy a brief respite from the demands of caring for a loved one with significant needs.

Please join other Washington area organizations and individuals in supporting KEEN by donating items or services for our silent auction. Simply complete the enclosed donation form and send it with the donated item or certificate and display materials for your business to the address on the form. Should you have any questions, please contact Kate Hurson at (301) 717-0276 or KEENFest@KEENGreaterDC.org.

Last year, more than 400 business leaders, community members and supporters attended KEENFest, and this year we are expecting a sell-out crowd! The proceeds from this year's **KEENFest will help us continue to keep all of our programs entirely free-of-charge for our athletes and their families.** We hope we can count on you for your support.

Sincerely,

*Michelle Benaim, Amy Bowser
Lesley McNamara and Karen Migdail*
