Celebrating 25th Anniversary!

This year we are celebrating 25 years of providing services to children, teenagers and adults with disabilities in the greater Washington DC area. Since 1992, all our programs have been offered completely free of charge to families. We continue to accept every child, regardless of the nature of his/her disability, and with support of our wonderful volunteers and donors, our programs are growing every year.

Over the years hundreds of volunteers, donors and corporate sponsors have contributed to the success of the Golf Classic (many of whom are listed in an article to the right).

We invite you to join us for this 24th annual event presented by Marriott International. Mark your calendar for May 15 and plan to join us on the links!

Visit our [event website](#) for further details, to become a sponsor and/or register to play.

We are excited to announce the opening of a new program in Baltimore. Starting February 5th, a group of teenagers with disabilities will meet for the first time to have fun bowling.

If you are interested in enrolling your teenager with special needs or if you would like to volunteer, please contact Bernadette at keengrdc.balt@gmail.com
