KEEN GREATER DC-BALTIMORE Kids Enjoy Exercise Now

KEEN's Mission is to empower youth with disabilities and impact volunteer coaches through participation in free, non-competitive, one-on-one programs of physical activity and fun, supporting the overall health and well-being of all participants.

KEEN's Vision is to create communities in which individuals with disabilities have equal opportunities for recreation, fitness, and friendship; provide families with respite and a supportive network; foster a lifelong commitment to positive change for volunteers through their engagement with KEEN athletes; develop partnerships to actively promote disability awareness.

DEAR KEEN *friends*

As we continue to navigate through the challenges of this global pandemic, KEEN Greater DC-Baltimore remains committed to delivering free-of-charge programs to our athletes, engaging volunteers and being a vital part of our community.

Starting late summer 2021, we began restoring in-person programs. First, we held outdoor exercise and Zumba programs in August and September, and then in October we moved to indoor Fitness programs. In addition, we resumed our in-person Tae Kwon Do sessions in November.

For those families who do not yet feel comfortable returning to in-person programs, we continue to offer virtual programs. Each week, we provide instructor-led yoga sessions and social programs created and run by students in Johns Hopkins University's Neuroscience Undergraduate Program. Also, we hold monthly Music, Zumba and Tae Kwon Do sessions online.

The past two years have certainly been a time of uncertainty, but what has not wavered is our caring community with its hundreds of sponsors and donors. They recognize KEEN's role in providing sports programs that empower young people with significant disabilities; helping them build self-esteem and develop social skills.

As one parent shared, "KEEN is a great program.....not only because of the physical activities but because it lets special needs families know that there is a larger community that cares about our kids and are willing to invest in their success."

This 2021 Annual Report is a tribute to all of you who have been a critical part of our community and movement!

Thank you for all your support to keep KEEN Greater DC-Baltimore moving during this difficult time!

Richard G. Blumenreich

PROGRAMS

ABOUT US

KEEN Greater DC-Baltimore started in 1992 with a very simple concept: Bring together volunteers from the community and young people with significant developmental and physical disabilities, pair them one to one, and let them discover how to explore their abilities and have fun. With this concept over the past 29 years, KEEN Greater DC-Baltimore has launched 38 free-of-charge in-person programs in the District of Columbia, Maryland and Virginia. Amid the pandemic, KEEN Greater DC-Baltimore launched 7 virtual programs, allowing athletes and volunteers to stay connected.

VOLUNTEERS

Volunteers are vital to the continuity and success of KEEN Greater DC-Baltimore. Some help occasionally at KEEN's programs while others become regulars and may eventually evolve into leaders as part of our Coaches Committee. These volunteers not only train new volunteers and run the sessions but also plan and administer all of our programs. They also play a vital role in our virtual programs. Thank you to all of our outstanding volunteers.
